

Appl. No. 10/020,313
Amendment dated November 1, 2006
Reply to Office Action dated September 18, 2006

H-1190

Amendments to the Specification

Paragraph [0160] of U.S. 2002/0178143, replace the paragraph with:

[0160] The block data and file data input/output means processes the input data packets according to the Internet Protocol ~~requires~~required and determines whether the packets contain block data or file data ~~bases~~based upon the port number specified in the TCP packets encapsulated in the Internet Protocol compliant packets.
